

— Become — A CHAMPION TODAY!

Champions are those supporters who commit to a monthly donation to the Club through auto-deduction. The process is simple: Commit a monthly dollar amount to our kids by providing BGCN with your account information for automatic withdrawal. It is your right to change or cancel your donation at anytime should the need arise. Please become a Champion for kids and help better the life of a child!

— History —

The Boys & Girls Club of Nampa opened its doors in the fall of 2000. Since then the Boys & Girls Club of Nampa has served over 8000 kids. This couldn't be possible without the help and support from people like you.

This year, the Boys & Girls Club of Nampa is proud to honor our steadfast supporter, Darlene Johnson. Darlene was one of the founding Champions, and her presence and enthusiasm will be forever missed.

Boys & Girls Club of Nampa is committed to serving kids in our Community. It is our goal to sustain what is today a thriving youth center with an average of 300 youth daily and 1342 annual members. To fulfill that goal, we must rely on local people supporting local kids. To continue to meet the needs of our youth and community, we respectfully ask you to support our Champions Program.

THANK YOU!

One visit to the Boys & Girls Club of Nampa and seeing the kids faces as they responded to the inspiration of the staff convinced me I wanted to be a part of it. This is by far the best community organization I have ever been involved with and that is substantiated by the tremendous support it receives from the community. The club is having a positive impact on the lives of more kids than I ever would have imagined and I am blessed to be a part of it these last eleven years.
